

SPECIALISED CONTAINER RANGE

Brand New and Used Refrigerated Shipping Containers

Our refrigerated shipping containers are used for the storage of volume goods - perfect for perishable cargo such as vegetables, fruit, meat, etc. Buy brand new or second hand units in excellent condition with a refurbished exterior (if required). All units are operational, weatherproof, lockable, vermin proof, structurally sound with serviced door hinges and lugs. Temperature range is between -25 & +25 degrees Celsius and use 3 phase power. Hire options also available in some areas. Our advisors are be more than happy to assist you with any of your questions.

- Solid steel structure
- Food grade stainless steel interiors
- Thermostatically controlled
- Vermin-proof
- Wind resistant
- Water-tight
- Lockable
- Double Doors - allows for bulk loading
- 270 degree opening
